All entries are to be prepaid. Sufficient return shipping fare, bags (3" x 10" minimum) and return labels must be included if fish are to be returned. Breather Bags may be used for shipping to/from the show. If Breather Bags are used, unused Breather Bags must be supplied for the return.

### **Show Rules**

1. All entries must be registered by 2:00 p.m. local time on Saturday, Oct 26, 2024.
2. Exhibitor will determine the class of entry. Assistance will be available at the show prior to registration.
3. All entries improperly classified will be disqualified.
4. Tanks will be furnished: no plants, decorations, or gravel may be displayed with the fish.
5. Every precaution will be taken against loss of fish; however, the Michigan Guppy Breeders and the IFGA assume no responsibility for any loss of fish.
6. All entries must be born and raised in the exhibitor's tanks.
7. Fish will be judged visually per the IFGA Standards and all decisions of the judges will be final.
8. All entry fees must be paid at time of registration. Shipped entries, which are to be returned, must include return postage fees and mailing label, along with bags for returning fish. No entry fees will be refunded after fish are benched.
9. Sale of fish, other than through the MGB Sunday auction, is strictly prohibited and may result in forfeiture of points received at this show.
10. Fish that are received dead or that die during the show will not be returned. Returning dead fish can contaminate the live fish being returned.
11. The auction will be a standard verbal, cash auction. Entries to be auctioned must be clearly noted on entry form. Additional pairs or trios may be offered by

exhibitors to be placed in the auction and should be clearly marked with the breeder's name, strain and age of fish. MGB will retain 50% of the sale of all auctioned fish unless the donor selects 100% donation to the MGB. Of course, donations of all proceeds would be greatly appreciated. Fish not receiving an opening bid will be retained by MGB.

12. Per IFGA rules, any show entry submitted for auction without at least one fish of the opposite sex of the same line will become the property of MGB and will be considered a donation to the club. The breeder will not receive any auction money for the entry.
13. Anyone may enter their fish in the show. You do not need to be an IFGA member to participate. However, only IFGA members can earn points toward the annual awards.
